Michael Viehmann (born 1975) was appointed to the Management Board of Sauren Fonds-Research AG, and as a member of the portfolio management team, in February 2018. Since January 2023, he has been responsible for the topic of “responsible investing” with the sub-areas “Responsibility Scoring” and “Active Ownership”. He joined Sauren from Flossbach von Storch AG, where he held various executive roles from 2001 to 2017 – mainly in the family office and private wealth management divisions. He has many years of experience in asset management, asset allocation and qualitative fund manager selection, for which he was also responsible at Flossbach von Storch. Between 2006 and 2013 Mr Viehmann also held further responsibility as a fund manager at the company’s Tectum Global Hedge Fund of Hedge Funds. A former graduate in Banking & Finance in both Cologne and the US, Mr Viehmann is also a trained banker and an INSEAD alumnus.
